CONECT. INTEGRATE. SIMPLIFY, AND MORE.

Technology for every workplace; delivering advanced functionality, ease of use and peace of mind.

Every business is unique. That's why Toshiba offers the latest customizable solutions that can be tailored to meet your needs. Toshiba solutions help you simplify complex tasks while managing diverse information efficiently and safely to maximize your productivity.

Toshiba's latest series delivers on our commitment to collaborate with clients to provide tailored, cost-effective solutions that meet your print, document management, and content needs while helping you to meet your green objectives.

- > 20 & 25 PPM
- Affordable, high-resolution color
- > High-volume black & white and color
- Advanced e-BRIDGE Next technology
- > Fast dual-core processor

Simple, smart and stylish.

A larger 10.1" tablet-style touch screen with an embedded web browser is easy to use, and customizable to meet your needs, enhancing the sleek and modern look of the complete series.

Color commands attention. Technology makes it possible.

It's important that an MFP is powerful, reliable, and efficient. Add color to that and you have even more ways to make your documents impactful.

- Up to 600 dpi x 1,200 dpi (PS3)
- 256 gradations provide ultra-smooth transitions in photos and illustrations
- Auto-calibration ensures consistency of color across small and large print jobs

Elevate streamlines complicated multo-step processes into automated. one-touch functions.

We know you have work to do and at Toshiba we've introduced a new concept designed to make your job easier and more productive by personalizing the MFP user interface around your specific business processes.

Elevate enables customized and automated workflow presenting the user with convenient one-touch functions addressing only the tasks they use most. This results in simple operation and improved efficiency leading to an overall cost savings. Let Toshiba Elevate your productivity.

Customize and automate workflows specifically

by department to deliver the utmost efficiency

workflow and productivity

confusion on home screen by presenting only the tasks

COMPACT SIZE, ALL-NEW LOOK, AND A POWERFUL PUNCH.

For small and medium businesses and workgroups that demand color along with a small footprint, Toshiba has answered the call. The e-STUDIO2510AC Series is packed with industry-leading technologies and innovations designed to help workgroups connect, integrate and simplify.

Print Around eliminates printing bottlenecks by allowing other print jobs to go around a job that's held-up for a specific paper size, media type or even color toner.

Job Reservation will queue up multiple copy or print jobs so users can send jobs whenever.

Saddle/Fold Capabilities offer saddle-stitch finishing and the option to fold without stapling.

Auto Skew Correction ensures your scanned documents using the document feeder are reproduced accurately.

Heavy-Media Duplex Support can also handle 16 lb bond to 90 lb index for heavy duty duplexing.

Print-from USB lets you print PDF and JPG files straight from your USB drive and the MFP will scale document to fit the available paper size if necessary.

e-BRIDGE Plus for USB Storage is great for capturing a file quickly when you're on the go.

Notifications Feature takes the hassle out of checking for depleted supplies or maintenance needs.

Paper Volume Indicators on the front panel make it easy to see the paper sizes, types and levels in each cassette.

Scan Preview allows you to review your scanned documents digitally, even rotate and change pages prior to sending to file or email.

Fax Preview aves valuable resources by letting you view received faxes prior to printing them.

Service Module Design significantly reduces the cost and time spent servicing the MFP.

TOSHIBA

CONVENIENCE AND SECURITY.

Small workgroups looking for quality color will appreciate that the e-STUDIO2510AC Series is easily integrated, customizable, and solutions ready, with Toshiba's Open Platform.

AirPrint® and Mopria® support address the printing needs of mobile device users, while Wi-Fi direct simplifies access to the MFP. Toshiba's exclusive e-BRIDGE Print & Capture application enables users additional printing features and the ability to scan documents back to their tablets or smart phones.

Toshiba's V4 Driver with Toshiba Print Experience serves PCL users, a universal print driver and XPS support addresses Windows® environments while PS3 support provides connectivity for Macintosh® users and beyond.

A variety of time-saving, function-adding plug-ins that enable productivity right in the driver. For instance:

- e-BRIDGE Job Point—quickly split up large jobs with up to 10 Toshiba MFPs
- e-BRIDGE Job Replicator—streamline the creation of multi-part forms and documents
- e-BRIDGE Job Separator—perform batch printing easily using any Windows® app
- e-BRIDGE Job Build—conveniently print different document types all together

Toshiba's new e-BRIDGE Plus apps, including e-BRIDGE Plus for OneDrive® for Business, e-BRIDGE Plus for SharePoint® Online and e-BRIDGE Plus for Exchange Online let users scan to and print from Microsoft's cloud-based services directly at the front panel of the e-STUDIO MFP or their mobile device. This includes Word,™ Excel® and PowerPoint® (docx, xlsx, pptx) documents stored in OneDrive® accounts or SharePoint® locations. When combined with our embedded OCR feature, documents can be scanned into popular Office™ formats as well.*

With Google Cloud Print™ support, you can securely print over the web from anywhere, anytime—including your phone—to an e-STUDIO2510AC Series MFP, e-BRIDGE Plus for Google Drive™, e-BRIDGE Plus for OneDrive™, e-BRIDGE Plus for DropBox™, and e-BRIDGE Plus for box™ address all of the popular cloud-based mobility apps.*

Industry-Leading Security

Along with all of the new and innovative Toshiba technologies, we regard the security of your business a top priority.

- A 320GB Self-Encrypting Drive (SED) with Automatic Drive Invalidation (ADI) & Data Overwrite capability provides top level security
- Available FIPS 140-2 Validated SED meets and exceeds strict government requirements
- IPsec is available to securely encrypt data sent to and from the MFP

Environmental Protection

Innovation that is truly innovative makes certain that our environment is part of the equation, which is precisely what we do here at Toshiba.

- > ENERGY STAR® V2.0 certified
- > RoHS compliance, the use of recycled plastics, and Super Sleep (0.6W) Mode work to help the environment
- EPEAT Gold Registered for greener electronics, designed to help purchasers choose products that reduce environmental impact
- The new e-STUDIO models' Typical [weekly] Electrical Consumption or TEC value is exceptionally low, equating to an environmentally friendly product with a low operating cost
- e-BRIDGE Plus for Green Information provides users with a graphical display at the MFP of their environmental contribution to promote more effective use

*Your network settings and/or access control may vary depending on network environment when installing e-BRIDGE Plus applications. For details, please consult Edge Technologies Limited sales person

FEATURES, BENEFITS, AND THE WOW FACTOR.

1 Document Feeder Options

MR3031 Reversing Automatic Document Feeder (RADF)

KA5005PC Platen Cover

2 Accessory Tray & keyboard Options

GR1330 Accessory Tray
GR9000 Bluetooth Keyboard
GR1340 10-Key Numeric Keypad

3 Finishing Options

MJ1042 50-Sheet Inner Finisher

MJ1110 50-Sheet Saddle-Stitch Finisher

MJ5014 Job Separator

4 Additional Paper Options

KD1058 Paper Feed Pedestal

KD1059LT 2,000-Sheet Large Capacity Feeder MY1048 Additional Drawer Module for PFP

MY1049 Envelope Cassette

Additional Options Highlights

- Multi-Station Print Enabler
- > Embedded OCR Enabler
- > Wireless LAN/Bluetooth
- > IPsec Security Enabler
- > Single & Dual-Line Facsimile
- > Hidden Card Reader Pocket

The Toshiba e-STUDIO2510AC Series can increase the efficiency of your workgroups, improve the professionalism of your presentations, and streamline the workflow of your organization. And, that's just for starters.

Touch and Swipe with Ease

An easy-to-use, tablet style 10.1" color touch screen panel works intuitively, helping you find instructions, functions, and commands with the swipe of the finger.

Multi-Station Print Enabler

Toshiba's internally developed Multi-Station Print Enabler allows users to send print jobs from their desktop and retrieve them at any convenient MFP by simply swiping their card and authenticating at that device.

A Clever Inside Pocket

We've put the Authentication Card Reader inside the machine for a cleaner look.

Envelopes—the Perfect Fit

A special envelope cassette is available to hold up to 60 envelopes, making sure each one is fed and printed in the same place, every time.

Volumes and Volumes

A high monthly copy volume up to 84,000 pages. Toner yields are 33,600 CMY and 38,400 K pages (at 5%) respectively.

Advanced e-BRIDGE Next Technology

Built on Linux®, this latest e-BRIDGE Next architecture features an Embedded Web Browser, a dual-core processor, up to 4GB RAM and a 320GB SED enabling the MFP to easily drive Toshiba's internally developed solutions or even third-party applications.
